This topographic map of the Tydal region in Norway provides a detailed view of the area's geography. The map includes the following features:

- Municipalities:** Selbu, Meråker, and Holtålen are labeled at the top, while Rørøsen is at the bottom. The city of Ålen is located in the southwest.
- Water Bodies:** Numerous lakes and rivers are depicted, including Ramsjøen, Essandsjøen, Nesjøen, Stugsjøen, and Skardsfjella. The map also shows the border with Sweden (Sverige) to the east.
- Topography:** The map uses contour lines to show elevation, with peaks reaching up to 1762 meters (Litjyslen).
- Infrastructure:** Roads are marked with numbers (e.g., 1, 2, 15, 18, 30) and symbols for various facilities like parking (P), rest areas (A), and information (i).
- Settlements:** Numerous small settlements and farms are labeled, such as Fongen, Ruten, Melshogna, Græslivola, Hilmo, Græslhytta, Aune, Brekka, Brennåsen, Østby, Kirkvold, Fossanhytta, Sakrismoen, Løvøya, Moen gård, Moen, Movollen, Storgvoll, Jensvollen, Væktarstua, Stugudal, Gråsida, Væktarhaugen, Skardsfjella, Vigelfjella, and Rørøsen.
